

## THE EASTSIDE PREP EXPERIENCE

At Eastside Prep, we provide an experience that inspires engagement, growth, and success for all our students. Our community size and character encourage students to become active participants in their learning. With the ever-evolving future in mind, EPS is committed to providing experiences that prepare students to welcome change with resilience and grace.

## INVEST IN EASTSIDE PREP STUDENTS

When you choose an independent school, you enter into a unique partnership to educate your child. One component of that partnership at Eastside Prep is support of the Annual Fund, Eastside Prep's **only** fundraising effort. The EPS Annual Fund ensures support for every aspect of school life: programs, technology, and the arts, as well as attracting and retaining faculty members who are leaders in their disciplines and committed to curricular integration and pedagogical innovation. These funds benefit students immediately by supporting the school's highest priorities.

## YOUR SUPPORT MATTERS

Each student's experience is possible because of our community's generosity. We invite every member of the community to take an active role in our students' education by supporting the Annual Fund.

Because of a strong belief in the values of Eastside Prep, **100%** of faculty, staff and Trustees contribute to the Annual Fund each year. Please join us today in making your pledge to the 2018-2019 Annual Fund. No matter the size, your contribution is important. Only you can help us reach our goal of 100% parent participation. Use the pledge form below (mailed to Vickie Baldwin at EPS) or complete your form online at [www.eastsideprep.org/giving](http://www.eastsideprep.org/giving).

**Thank you for being part of the EPS community.**
