

# EPS MIDDLE SCHOOL SPORTS REGISTRATION

**The deadline to register is Friday, March 19.**

Although the Cross Town Middle School League will not be running sports seasons this year, we wanted to offer our middle school students some sports opportunities! Currently we have no competitions on our schedule, however this is subject to change if other schools are interested in playing a game or two with us. Stay tuned!

**Here are the details in place to keep everyone safe during Middle School Sports:**

- The season start date **will depend** upon the sport chosen.
- Per Governor orders, **facial coverings are required for all participants at all times.**
- Participants will need to complete a **daily health check** prior to participation.
- Athletes will need to **provide their own transportation** to/from all practices and games.
- We will not run MS sports during Spring Break. Please be aware that if you cross state lines during spring break you will be required to quarantine for 14 days upon your return.

**8<sup>th</sup> Graders:** If you are interested in playing US Girls Ultimate or US Boys Soccer (Begins March 29<sup>th</sup>, 5 day per week commitment + league games), please contact [Kim Eng.](#)
