

## EPS Sports Updates- July 23<sup>rd</sup>, 2020

Hello Eagles!

As some of you may have heard, The WIAA Executive Board took action on Tuesday to modify the 2020-21 WIAA sports season calendar in light of the COVID-19 pandemic. The changes will create four WIAA-sanctioned seasons and will also move moderate- and high-risk team sports, originally scheduled for the fall season, to the WIAA Season 3. Crew will remain in season 1, Boys Ultimate will move to season 3 and Girls Ultimate will run during season 4. [Tentative Season Dates](#)

The health and safety of our athletes and coaches remain our highest priority. Families need to acknowledge that there are infection risks and concerns when returning to play. EPS is doing everything we can to mitigate those risks. We are following the guidelines provided by our state and local authorities (Dept. of Health, NFHS, WIAA, SMAC), and we have put measures and protocols in place in order to reduce the spread of COVID-19.

Below is a summary of information that you may find helpful. If you have any questions, please don't hesitate to reach out to me at any time.
