

EPS CONTACTLESS CURBSIDE DINNER PICK-UP

"Food is our common ground, a universal experience." - James Beard

We often hear how much you love the food at EPS. While we continue to engage in EPSRemote during the months to come, we want you to be able to bring a little EPS home with you...for dinner! Support EPS while taking the guesswork out of ‘what’s for dinner?’ by having a heat-and-serve meal waiting for you at Eastside Prep!

All our meals will be freshly prepared with the finest ingredients, packaged with heating instructions, and brought out to your vehicle by one of our gloved team members right in front of TALI Hall. We will place your meal(s) into your trunk or backseat and send you on your way.
