Upon login, you will arrive at the four11 dashboard which will be your distribution point for schedules, progress reports and unofficial transcripts. Depending on the time of the school year, one or more of these reports will be available on the page.

The image shows a student dashboard for Jane. At the top left, a dark blue box contains the text "Student, Jane" and "LunchID: 20231234" in gold. Below this, the dashboard is divided into two main sections. The left section is titled "Student Info" in a dark blue box. It contains the text "Schedules (PDF)" and "(not yet released)" in black. Below this text is a white button with a black border that says "22-23 Preliminary Schedule". The right section is titled "Grade Reports" in a dark blue box and is currently empty.
