

PA Executive Meeting 11/19/13

In attendance: Arianne Burnham, Anne Corley, Laurie Goetsch, Leigh Ann More, Debbie Nussbaum, Ann Pillsbury, Vickie Baldwin

Absent: Susan Cameron

Teacher Appreciation Events – It was suggested that the information be put in the EPS weekly email so people know planning for these events is under way. Leigh Ann stated that she and Susan have already had Jamba Juice, cupcakes, and harvest items brought in. Upcoming events include a February Valentine's Day treat, the March month of lunches and a catered lunch.

The conference room is needed one day during the month of lunches for extended testing so we need to switch the day to Tues, the 11th.

Other upcoming events:

Dec 10 – Coffee and book club scheduled

Dec 4 – PA meeting and pizza (pizza will be pre ordered from Costco and picked up)

Bowling – Kim has list of some people who volunteered to help. Vickie also has a list of folks and will provide that to Kim. We'll need to find someone to lead the effort or the event may need to be canceled.

Kim reported that the parents of the fifth graders do not seem to be as active as in previous years. She is working with the class reps on ideas on how to bring them together as a class.

Laurie is doing a revised PA reimbursement form that is more useful for our needs.

The Committee discussed updating the EPSPA bylaws but determined that the roles and responsibilities pages can be updated more easily.
